

MailStore Appoints Norbert Neudeck Director of Sales

- Experienced sales professional to expand international business

Viersen, Germany, 22 August 2017 +++ MailStore Software GmbH, the German specialist for email archiving solutions, has reinforced its management team with a new Director of Sales, Norbert Neudeck.

In this newly created position, Neudeck, who holds a degree in business administration, has been responsible since June 2017 for the global development of sales structures and the international expansion of MailStore business. Prior to coming to work for the Viersen-based company, Neudeck held leadership positions in sales, marketing, and business development at the Japanese Kyocera Group, the Swedish company Ericsson, and more.

“We are very glad to have gained an experienced manager for MailStore in the person of Norbert Neudeck, whose wide-ranging knowledge and in-depth market expertise will help us further advance and expand our international growth,” says Philip Weber, Managing Director at MailStore. “We are very strong in the DACH market, but we see major potential that should be exploited, especially in the rest of Europe. Norbert Neudeck will help us with that.”
