What Customers Are Saying

“Fast search for locating archived emails (...) Being able to find archived emails quickly with the **integrated, easy-to-use search function** is a major benefit for our employees”

Antenne Bayern

“While my colleagues **admire the excellent search function**, I appreciate how little maintenance effort is needed, and how so far I have been able to execute every update with just a few mouse clicks.”

ZWP Ingenieur-AG

“Mailstore Server has proven to be a good archiving product. It's reliable, low-maintenance, just keeps on delivering the goods. **It's an ideal product for lean IT teams.**”
